Health Screening Preparation Tips

* Fast from 10pm the night before your health screening. Drink only plain water until your appointment for accurate blood test results.

* Do postpone any routine morning medication until after your blood sample is taken.

Health Screening Preparation Tips for Ladies

* Please call to reschedule your appointment if you are menstruating on the day of your appointment.

* Book your appointment 10-14 days after the start of your period for urine and pap smear tests.

* Let us know if you are pregnant or suspect you might be, as X-rays and mammograms are not recommended during pregnancy.
